

BTSA Induction Directors and Leaders Academy 2010/2011

Outcomes

The **FOUR DAY** academy format is specifically designed to begin with two days of intensive job related tools and tips, an understanding of the BTSA leader position, some time back on the job, and then two follow up days designed to move more deeply into the role. In this information-packed academy focused on licensure and standards, program leaders can gain the insight needed to understand BTSA Induction purposes, processes, and results. Bring your questions, plan to network, and leave the Academy with your plan for success.
